

TriRig Upgrade Program

For 2017, TriRig is proud to announce our first ever upgrade program. From now through January 31, 2017, you may trade in your old Omega brakes, Sigma stems, and Alpha bars for a credit towards our latest X-series products, and even the Omni bike. This offer is open to ANY owner of our old products, in any condition, even if you purchased second-hand. Moreover, it is NOT a substitute for a warranty or repair claim -- if you have any outstanding issues with your old product, simply [Contact Us](#) and we will be happy to assist you.

1. Instructions

- Purchase an Alpha X, Omega X, Sigma X, or Omni, before January 31, 2017.
- Fill this form completely. Within 30 days of your purchase, mail back this form along with your qualifying old product(s) to:
 - **Nick Salazar, TriRig.com**
 - **3036 Greensborough Dr**
 - **Highlands Ranch, CO 80129, USA**
- After we receive your old product trade-in, we will issue you your credit as a partial refund of your new product purchase

2. Your Information (must match your new order)

Name: _____ Email: _____

Address: _____

Product(s) ordered: _____ Product(s) returned: _____
